On November 6, 2017, the Court received a six-month prison account statement for Walker. It is unclear whether this account statement was submitted by the prison treasurer or by the plaintiff. Walker did not file a motion for leave to proceed *in forma pauperis* or any other document indicating a desire to pursue this case and incur an obligation to pay the \$350 filing fee.

In the absence of a motion to proceed *in forma pauperis*, it is unclear whether Walker intends to prosecute this action and accept the concomitant responsibility of paying the filing fee up front or by making incremental payments pursuant to 28 U.S.C. § 1915(b).

Accordingly, if Walker would like to pursue this action, he must, within twenty-one (21) days of the date of this order, file a motion for leave to proceed *in forma pauperis* in the form of an Application to Proceed in District Court Without Prepaying Fees or Costs. Failure to do so will result in dismissal of this action without prejudice. The Clerk shall provide the plaintiff with an Application to Proceed in District Court Without Prepaying Fees or Costs.

IT IS SO ORDERED.
